## Press Release

### **ALTANA AG publishes the preliminary final results of the public tender offer for all shares of Von Roll Holding AG – shareholding of 98.5 percent**

**Breitenbach/Wesel, November 17, 2023** – ELANTAS, a subsidiary of the specialty chemicals group ALTANA AG, has officially announced the provisional final results of the public tender offer for all publicly held shares of Von Roll Holding AG (SIX: ROL) following the conclusion of the additional acceptance period.

Based on the preliminary figures, as of the end of the additional acceptance period on November 16, 2023, 33'705'571 Von Roll shares were tendered into the offer. This corresponds to 67.4 percent of the Von Roll shares covered by the offer. Factoring in the execution of the share purchase agreement with the von Finck family, shares acquired on the market since the pre-announcement, and the treasury shares held by Von Roll, ELANTAS now holds a total of 352'003'732 Von Roll shares, representing 98.5 percent of Von Roll Holding AG's shares.

You can find the provisional final result notification by following this [link](#). The definitive notification of the final result will be officially published on November 22, 2023.

The completion of the tender offer is expected to take place on November 27, 2023, during the second closing. Subsequently, the judicial squeeze-out procedure will be carried out. During this process, non-tendering Von Roll shareholders will be entitled to receive the offer price in cash in exchange for their canceled shares. Von Roll will subsequently be delisted from the SIX Swiss Exchange.

The timetable for the second closing of the offer is therefore as follows:

November 22, 2023	Announcement of the definitive final result of the offer
November 27, 2023	Second closing of the offer

### About Von Roll Holding AG:

Founded in 1823, Von Roll is one of the most traditional companies in Switzerland. In the course of the company's history, Von Roll has had to adapt several times to a changing market environment and has thus evolved from the largest Swiss steel and ironworks into a state-of-the-art industrial company that is helping to drive the energy transition.

Today, Von Roll is the global market leader for electrical insulation systems used in the largest wind turbines, develops high-performance technical materials for the next generation of batteries in the field of electromobility, and produces particularly environmentally friendly plastics for the aircraft industry. With 14 sites worldwide and around 1,000 employees, the Group supplies customers in more than 80 countries.
